

# FIELDBOSS HVAC CONTRACTOR MANAGEMENT SOFTWARE

Built Within Microsoft Dynamics 365

## THE FIELDBOSS DIFFERENCE

### LOW COST, RAPID IMPLEMENTATIONS: **FOR CONTRACTORS OF ALL SIZES**

FIELDBOSS offers hundreds of HVAC specific features right out of the box. Its native functionality and strength of the base system allow you to get up and running with little need for customizations.

### CONFIGURABLE & FLEXIBLE SOFTWARE: **WORK THE WAY YOU WANT**

We start where you are.

We configure FIELDBOSS best practices to align with the way your organization is structured, and we can adjust things as you add customers, contracts, and staff.

### MICROSOFT 365 TECHNOLOGY PLATFORM: **SECURITY AND INNOVATION**

We let Microsoft do the heavy lifting so we can focus on the HVAC industry.

Microsoft Cloud security means you're always protected and future proof. Embedded integration with Outlook, Excel, Word, SharePoint & PowerApps means the interface is already familiar to users.

### SERVICE & SUPPORT: **CUSTOMER OBSESSED**

We are obsessed with providing effective and timely support and making sure our customers are happy. Customer success drives every feature we create, every best practice we support through our software, and every innovation we bring to the industry.
